

# Sam Barber - Indigo (feat. Avery Anna)

tom:  
Intro: C D Em C D Em

[Primeira Parte]

C D Em  
I know you're worried at night I won't find my way  
C D Em  
And I'm tired of lying to myself just to get through each day  
C D  
My head says I should have never left, and that my feet will  
soon lead to my  
Death

[Pré-Refrão]

C D Em  
I'm starting to question if God's trying to teach me a lesson  
C D Em  
I'm starting to wonder if my true colors changed since I left  
ya

[Refrão]

D Em D C  
I used to shine bright like gold, now I'm all indigo  
D Em  
My colors are darker and cold  
D C  
I think it's time that I went home  
D Em  
And I don't understand why I always feel dead and alone  
D Em  
I used to shine bright like gold  
D C  
Now I'm all indigo

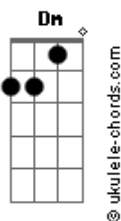

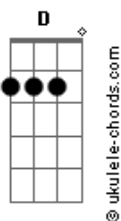

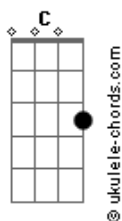

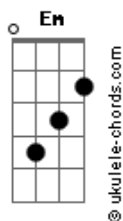

[Segunda Parte]

C D Em  
Gave up a piece of my heart then I turned to run  
C D Em  
Oh, my head is in the clouds but I don't feel close to the sun  
C D Em  
And the light fades away from my face and the tears fall like  
rain  
C D Em  
And so I turn my words all into faith, hope it's me that they  
save
