tom:

Intro: Am Em F C

[Primeira Parte]

Am Em F C
Every night's another bar and a bottle in my hand
Am Em F C
These cheap cigars, they burn my lungs but I don't give a damn
Am Em F C
And all the sins I've made time I oughta be dead by now
Am Em F C
I'm going down this road, just keep on headed south

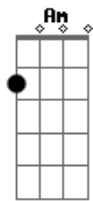

[Refrão]

Am Em F C
'Cause I'm coming down off a run away high
Am Em F C
These cops are on my tail but I don't really mind
Am Em F C
'Cause I could be gone in the blink of an eye
Am Em F C
So what's one more sin before I reach the by and by

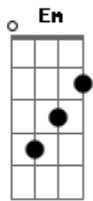

[Segunda Parte]

Am Em F C
I heard she met a good old man down in the sticks
Am Em F C
He was lookin' sharp as a knife, hell he's probably 36
Am Em F C
