

Sam Fender - Play God

tom:
E (forma dos acordes no tom de F)
Afinação: Eb Ab Db Gb Bb Eb

Bm
You were cracking all your fingers
With your eyes fixed to the floor

Bm
Sound had echoed down the street
By the monument you hear

Bm
Man is screaming through a megaphone
"Get your hands off the Middle East"

Bm
Every word would herd the cynical
Every word would cut your teeth

G **Em** **Bm**
He will play God

G **Em** **Bm**
He will play God

It's all the same down in the capital
All the suits and clattered feet

Bm
Sewer rats will shower the underground
In a race to make ends meet

G **Em** **Bm**
He will play God

G **Em** **Bm** **A**
He will play God

G
Am I mistaken?

E
Or are we breaking

Bm
Under weight from the long time

A
That he will play God

G
Am I mistaken?

E
Or are we breaking

Bm

Under the weight from the long time

A
That he played God

G **Em** **Bm**
He will play God

Bm
No matter who you are or where you've been
He is watching from a screen

Bm
Keeps a keen eye on the in-between
From the people to the Queen

He will play God

He will play God
