

Sam Hunt - Break Up In a Small Town

Tom: **Ab**

(com acordes na forma de **G**)
 Capotraste na 1ª casa
 Intro: **Em**

G
 I knew I'd see her around
 I'd be at some party, she'd show up and I'd be walking out **Em**
 Across some parking lot, hiding behind her sister **D**
 I'd look up, she'd be at the red light beside me **G**
 In that white max with the sticker on the back
 I'd act like I didn't see her **Em**
 And we'd pay at the same pumps
 Flip through the same stations
 And slow down for the same curves
 Run around with the same crowds **C**
 We just needed some time
 She could get on with her life and I'd get on with mine **D**
 Thought I would be fine, but maybe not
 I knew she'd find a way to get over me
 But I'd never thought that
 [CHORUS]
 She would get down with somebody I know **Em** **C**
 I guess that's just how it goes **D**
 When you break up in a small town **G**
 I see our friends and they put on a show **D** **Em** **C**
 Like they don't want me to know **D**
 So they give me the go-around **G** **D**
 But there's only so many streets and so many lights **C** **G**
 I swear it's like I can't even leave my house **D** **G** **D** **Em**
 I should have known all along **C**
 You gotta move and move on **D**
 When you break up in a small town
G
 For a while I guess they were keeping it low-key **Em**
 And now it's like these county lines closing in on me
 I see em everywhere together
 And it's getting a little too close to home
 She's so far gone, but she didn't go far **C**
 She was over me before the grass grew back where she used to

park her car
 She's leaving those same marks in someone else's yard **D**
 In someone else's arms right down the road
 And I never thought
 [CHORUS]
 She would get down with somebody I know **Em** **C**
 I guess that's just how it goes **D**
 When you break up in a small town **G**
 I see our friends and they put on a show **D** **Em** **C**
 Like they don't want me to know **D**
 So they give me the go-around **G** **D**
