

Sam Ryder - Space Man

tom:

G

[Primeira Parte]

If I was an astronaut, I'd be floating in mid-air
And a broken heart would just belong
To someone else down there
I would be the center of my lonely universe
But I'm only human and I'm crashing down to Earth

[Segunda Parte]

If I was an astronaut, I'd have a bird's eye view
I'd circle round the world and keep on coming back to you
In my floating castle, I'd rub shoulders with the stars
But I'm only human and I'm drifting in the dark

[Refrão]

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go home

[Terceira Parte]

If I was an astronaut, I'd speak to sat?llites
My navigation systems would search for oth?r life
But I'd be up here thinking 'bout what I left behind
'Cause I'm only human with the real world on my mind

[Refrão]

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go home

[Ponte]

Gravity keeps pulling me down
As long as you're on the ground, I'll stick around
Stick around, I'll stick around

[Refrão]

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
No, oh, I'm in the wrong place, man
Nothing but, nothing but, nothing but space, man
Nothing but, nothing but, nothing but space, man

[Final]

I've searched around the universe
Been down some black holes
Nothing but space, man
And I wanna go home
