

# Sam Smith - Fire On Fire

Tom: G

My mother said I'm too romantic <sup>Dbm Eb</sup>  
 She said: You're dancing in the movies <sup>B A</sup>  
 I almost started to believe her <sup>Dbm Eb</sup>  
 Then I saw you and I knew <sup>B A</sup>  
 Maybe it's 'cause I got a little bit older <sup>Dbm Eb</sup>  
 Maybe it's all that I've been through <sup>B A</sup>  
 I'd like to think it's how you lean on my shoulder <sup>Dbm Eb</sup>  
 And how I see myself with you <sup>B A</sup>

I don't say a word <sup>Gbm A</sup>  
 But still, you take my breath and steal the things I know <sup>Dbm B Gbm</sup>  
 There you go, saving me from out of the crowd <sup>A Dbm B</sup>

Fire on fire, we're normally killers <sup>Dbm Eb</sup>  
 With this much desire, together, we're winners <sup>B A</sup>  
 They say that we're out of control and some say we're <sup>Dbm Eb</sup>  
 Sinners <sup>Eb</sup>

But don't let them ruin our beautiful rhythms <sup>B A</sup>  
 'Cause when you unfold me and tell me you love me <sup>Gbm A</sup>  
 And look in my eyes <sup>Dbm B</sup>  
 You are perfection, my only direction <sup>Gbm A</sup>  
 It's fire on fire <sup>Dbm Eb</sup>  
 It's fire on fire <sup>B A</sup>

When we fight, we fight like lions <sup>Dbm Eb</sup>  
 But then we love and feel the truth <sup>B A</sup>  
 We lose our minds in a city of roses <sup>Dbm Eb</sup>  
 We won't abide by any rules <sup>B A</sup>

I don't say a word <sup>Gbm A</sup>  
 But still, you take my breath and steal the things I know <sup>Dbm B Gbm</sup>

But still, you take my breath and steal the things I know <sup>A Dbm B</sup>  
 There you go, saving me from out of the crowd

Fire on fire, we're normally killers <sup>Dbm Eb</sup>  
 With this much desire, together, we're winners <sup>B A</sup>  
 They say that we're out of control and some say we're <sup>Dbm Eb</sup>

 It's fire on fire <sup>Dbm A</sup>  
 Ooh, It's fire on fire <sup>Eb B Dbm A Eb B</sup>
