

# Sam Smith - La La La

Tom: **A**

Verse 1:

**Gbm** **E**  
Hush, don't speak  
**Bm**  
When you spit your venom, keep it shut I hate it  
**Gbm** **E**  
When you hiss and preach  
**Bm**  
About your new messiah 'cause your theories catch fire  
Pre Chorus:  
**Gbm** **E**  
I can't find those silver linings  
**Bm**  
I don't mean to judge  
**Gbm** **E**  
But when you read your speech, it's tiring  
**Bm**  
Enough is enough

Chorus:

**Gbm** **E**  
I'm covering my ears like a kid  
**Bm**  
When your words mean nothing, I go la la la  
**Gbm** **E**  
I'm turning up the volume when you speak  
**Bm**  
Cause if my heart can't stop it, I find a way to block it  
I go  
**Gbm** (Two Strums)  
La la, la la la...  
**E** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)  
I find a way to block it  
I go  
**Gbm** (Two Strums)  
La la, la la la...  
**E** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)

La la, la la la...

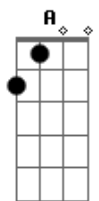

Verse 2:

**Gbm** **E**  
Yes our love is running out of time  
**Bm**  
I won't count the hours, rather be a coward  
**Gbm** **E**  
When our worlds collide  
**Bm**  
I'm gonna drown you out before I lose my mind  
Pre-Chorus:  
**Gbm** **E**  
I can't find those silver linings  
**Bm**  
I don't mean to judge  
**Gbm** **E**  
But when you read your speech, it's tiring  
**Bm**  
Enough is enough

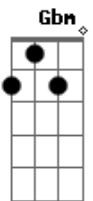

Chorus:

**Gbm** **E**  
I'm covering my ears like a kid  
**Bm**  
When your words mean nothing, I go la la la  
**Gbm** **E**  
I'm turning up the volume when you speak  
**Bm**  
Cause if my heart can't stop it, I find a way to block it  
I go  
**Gbm** (Two Strums)  
La la, la la la...  
**E** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)  
I find a way to block it  
I go  
**Gbm** (Two Strums)  
La la, la la la...  
**E** (Two Strums)  
La la, la la la...  
**Bm** (Two Strums)  
La la, la la la...
