

# Sam Smith - Life Support

Tom: C  
Intro: G Am Em C

G Am  
I've been sleeping with the lights on  
Em C  
'Cause the darkness is surrounding you  
G Am  
This is my world, this is my choice  
Em C  
And you're the drug that gets me through

G Am  
I've been waiting for an answer  
Em C  
Because I built this bed for two  
G Am  
I'm just waiting on your answer  
Em C  
I built this bed for me and you

G Am Em C  
Could you see that I am yours?  
G Am Em C  
So will you be my life support?  
G Am Em C  
You're my life support, you're my life support

G Am  
Sick of waking up in darkness  
Em C  
When the sky is always painted blue  
G Am

There's a method to my madness  
Em C  
It's clear that you don't have a clue

G Am  
I've been waiting for an answer  
Em C  
Because I built this bed for two  
G Am  
I'm just waiting on your answer  
Em C  
I built this bed for me and you

G Am Em C  
Could you see that I am yours?  
G Am Em C  
So will you be my life support?  
G Am Em C  
You're my life support, you're my life support  
G Am Em C  
You're my life support, you're my life support

G Am Em C  
G Am Em C

G Am Em C  
Can't you see that I am yours?  
G Am Em C  
So will you be my life support?  
G Am  
I've been sleeping with the lights on  
Em C  
'Cause the darkness is surrounding you
