

Samba de Dandara - Pranto de Carnaval

tom:

Ela me abandonou na Rua Rocha
No dia do ensaio da Vai-Vai
E os batuqueiro batucava no batuque do cordão
E as frigideira ritmava na batida do meu coração

Ela me abandonou na Rua Rocha
No dia do ensaio da Vai-Vai
E os batuqueiro batucava no batuque do cordão

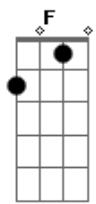

E as frigideira ritmava na batida do meu coração

Esparramei as minhas mágoas na avenida
O som do clarim o meu banzo calou
Na ausência dela tem confete e serpentina
E o preto e branco despontando na folia
E ao me mostrar sambas os bambas do Bixiga
Dona Olímpia Clareou

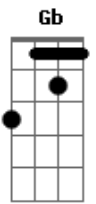

Sambar? Sambou!

Dançar? Dançou!
