

# Samba do Feitiço - Coisas da Vida

tom:

A

Não tenho medo, mais

Foi água que rolou

Voltei pro mesmo cais

Que você me deixou

Não tenho peso, mais

A alma aliviou

Hoje não volto atrás

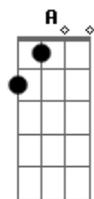

Passou, vento levou

Coisas da vida... o amor

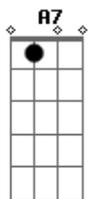

Coisas da vida... a dor

Vem pôr-do-sol pra curar a ferida

Do nosso interior

Pedi pra esquecer

Mas deus não escutou

Pedi pra aprender

O tempo me ensinou

Melhor do que vencer

É saber que jogou

Na flor do bem-me-quer

Mal-me-quer perdoou

Coisas da vida... o amor

Coisas da vida... a dor

Vem pôr-do-sol pra curar a ferida

Do nosso interior
