

Samba do Feitiço - Filho da Terra

tom: G

Eu sou madeira de lei

Sou filho dessa floresta

Eu sou madeira de lei

Sou filho dessa floresta

De tanto ouvir os passarinhos

Renasci num bandolim

De tanto ouvir os passarinhos

Renasci num bandolim

Vi muito negro fujão

Em busca da liberdade

Vi muito negro fujão

Em busca da liberdade

A sua luta me inspirou

Reencarnei, virei tambor

A sua luta me inspirou

Reencarnei, virei tambor

Sou testemunha ocular

De todas as lendas da mata

Sou testemunha ocular

De todas as lendas da mata

Da minha casca construí

Um cachimbo pro Saci

Da minha casca construí

Um cachimbo pro Saci

Dessa floresta sou jacarandá

Filho da terra, Ilha de Vera Cruz

Foi na brincadeira de roda

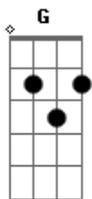

Mistura, de raças, nascente do samba

Berimbau, capoeira, caxambu

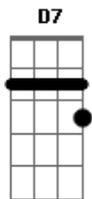

Vi o jongo e o maracatu, e florir

Mandacarú
