

Samba do Feitiço - Pelas Estradas

tom:

E

Quero caminhar
 Nas alvoradas
 Ver a vida florescer
 Em cada dia de esplendor

Eu quero caminhar
 Por essas quebradas
 E ver o sol se por

Quero me perder
 Pelas estradas

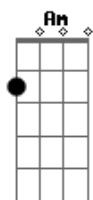

Carregando um violão
 Por essas noites de luar

Quero amanhecer
 Nessas madrugadas
 E ver o sol raiar

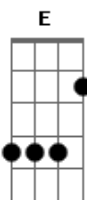

Pra viver a vida plenamente
 É preciso estar atento
 Aos momentos de prazer

E sempre recordar
 Que a vida também acontece
 Quando a gente esquece de viver
