

# Samba do Feitiço - Sonhei e Fiz Caminhos

tom:

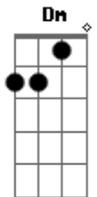

A

Meu canto traz no tom o quanto caminhei  
 Pra alimentar o dom andei, andei  
 Sem pressa de chegar enfim me encontrei  
 Na mesa de um bar sorri, chorei  
 Agora sei que estou onde eu sempre quis  
 Destino? Eu não sei, só sou feliz  
 Mas quero acreditar que com minhas mãos  
 Sonhei, sonhei, sonhei

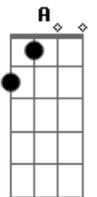

[Segunda Parte]

Sonhei e fiz caminhos porque sou peregrino  
 Inquieto e sonhador, senhor do meu destino  
 As pedras que encontrei, guardei, guardei  
 Se erros cometi, lições que eu aprendi  
 Se sou feliz assim foi porque acreditei  
 Na busca do ideal que sempre procurei  
 A vida não justa, já me acostumei  
 Sorrir pra não chorar eu sei
