

Sambaleluia - Hino de São João Batista

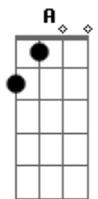

Tom: A

1 - Um dia, na Galileia, um homem chamado João
 Falava com ternura de amor aos seus irmãos. (2x).
 Seu rosto resplandecia, a paz que ele trazia
 Fazei penitencia sempre sempre João dizia. (2x).

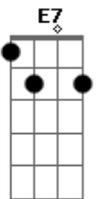

Viva João Batista, viva o precursor! Porque João Batista
 anunciava o Salvador.

2 - As margens do rio Jordão, João batizava o povo
 Dizendo que Deus viria instaurar um reino novo. (2x).
 As vezes João se zangava com os duros de coração.
 Dizendo que já estava muito perto a salvação. (2x).
