

# Samuel Hum - Pra Minha Sorte

tom:

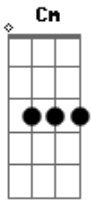

Em

Eu vi que não foi a troco de nada que eu me entreguei  
 Deus que me perdoe se um dia na estrada eu sozinho andei  
 Quem diria assim que te encontrar seria bem melhor que imaginei  
 Mas agora eu sei

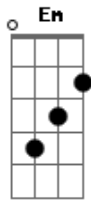

Que eu vou ter no fim do dia tua companhia

Tirando a solidão desse meu coração  
 Que depois da tempestade tem sua amizade  
 A quase por um triz fazendo eu ser feliz  
 Quase no fim do caminho você viu meu norte  
 A minha sorte, a minha sorte  
 Entre pedras e espinhos você foi mais forte  
 Pra minha sorte, pra minha sorte
