

# Sandoval Barbosa Rodrigues - Who Am I?

tom:  
Capostrate na 2ª casa

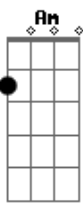

I want to go wherever the train goes  
Touch the wind and feel free  
Until I've seen everything  
That I couldn't see  
I want to kiss the fresh snow  
Until my fingers burn with cold  
Drink to the last drop that old wine I kept  
Before it gets too old  
If you ask me: who am I?  
I am all the cities I walked by  
I am all the dreams I dreamed of  
I am all the loves that I loved
