Intro: A  E  A

A            E     A
Jenny was only nine years old
                   E     A7
The kid sister of someone I know
             D
And she was pretty
G            A   E   E
Ooh yes she was

A             E      A
She was a gorgeous little girl
                   E       A7
Happiest thing in the whole wide world
             D
And she was pretty
G            E   E
Ooh yes she was

            Gbm
And then I left her place
To become a man
       Dbm
And I never thought I'd see her again
       D
And I even failed
  A              E    Db7
Remembering her name

               Gbm
But the other night

At the studio fifty-four
          Dbm
She came suddenly walking

Through the front door
         D
And she settled down
A            E    E  E  E
In my mind again

       A                A
I can live for another thousand years
        A7              D
When I see the eyes of Jenny
A               Gbm
Feels like I'm sailing to
         Bm             E   E
Another place, another time
               A
There ain't no more worries
A
No more fears
        A7              D
When I see the eyes of Jenny
A               Gbm
It's like they take me to
           Bm
Where she knows I'll find
  D      E        A
A little piece of mind

( A  E  A )
( A  E  A )

    A               E      A
She told me she's almost twenty-five
                        E
Been through some struggle
    A7
And some strive
            D
And she is pretty

G            A   E   E
Ooh like she was

A              E      A
It's not the color, not the size
                     E     A7
Guess it's the promise in those eyes
                D
That makes her pretty
G            E   E
Ooh like she was

            Gbm
And then I left the place

And became a man
         Dbm
I don't know if I'll ever see her again
          D
But I'll always be
  A              E    Db7
Remembering her name

                  Gbm
'Cause the other night

At the studio fifty-four
          Dbm
She came suddenly walking

Through the front door
         D
And she settled down
A            E    E  E  E
In my mind again

       A                A
I can live for another thousand years
        A7              D
When I see the eyes of Jenny
A               Gbm
Feels like I'm sailing to
         Bm             E   E
Another place, another time
               A
There ain't no more worries
A
No more fears
        A7              D
When I see the eyes of Jenny
A               Gbm
It's like they take me to
           Bm
Where she knows I'll find
  D      E        A
A little piece of mind

A  A  A7              D
          See the eyes of Jenny
A               Gbm
Feels like I'm sailing to
         Bm             E   E
Another place, another time
               A
There ain't no more worries
A
No more fears
        A7              D
When I see the eyes of Jenny
A               Gbm
It's like they take me to
           Bm
Where she knows I'll find

A little piece of mind
