A E Gbm
You keep missing my call

But I still believe in you

Don't make me wait
Gbm D
'Cos we're running out of precious time
A E
It's never too late

But I've seen the warning sing
A E D
And we're running out of precious time

A E Gbm
You can't make up your mind

So give your heart a listen
A E Gbm
And you'll wake up to find

It's my love you're missing

But I still believe in you

Don't make me wait
