Santa Jam Vó Alberta - Dream Not'lone
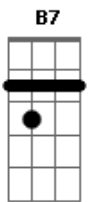

```
                                   tom:
                          G
Intro: B7   C7   G7
          A7   D7

B7      C7
She's gone
G7
Taking my whole dreams
          A7
To live her own
       D7                B7
It's sad but what can do
          C7
To go on
    G7
Instead to breath
              A7
Another type of air
   D7
To get a whole new life
B7      C7
In my hand
   G7
Despite my own condition
         A7
To get free
```
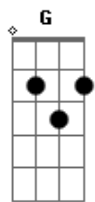

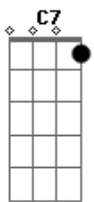

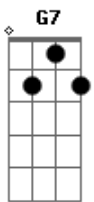

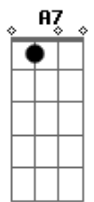

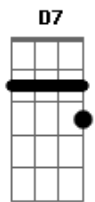

```
       D7
And crossing to look over
B7          C7
What should be
           G7
What happened doesn't matter
            A7
Now I am
       D7                   B7   C7
The better person that I once again

( G7   A7   D7 )

[Solo] B7   C7   G7   A7   D7

B7          C7
Now it's done
       G7
We got a brand new life
             A7
To bring new songs
       D7
It's cool to understand what the fuck
                              G7
Could I do to dream not'alone
```
