How to know about you girl E B7

I spent my time to know E

With all this world B7

I spent my time to know E

Love behind, my love behind B7

They live to get the line E

Surrounded stuck their own mind B7

They live sometimes E

They live around the line E

Please be kind, please be kind B7

My heart don?t have a border

Have no order, have to know E

Where do you go flying so high B7

You fly so high E

You thrill me all the time E

Fly so high, don?t fly so high B7

You better careful girl

Don?t know this world

It?s tricky and dangerous E

But you might know B7

She was so quiet E

Now she has her own light E
