Just Feel Better  
Santana

(Santana ft. Steven Tyler)  
Intro: **Cm**

**Cm** **Eb**  
She said I feel stranded  
**Fm**  
And I can't tell anymore  
**Ab** **Cm**  
If I'm coming' or I'm going'  
**Eb**  
It's not how I planned it  
**Fm**  
I got a key to the door  
**Ab**  
But it just won't open  
**Bb**  
I know, I know, I know  
**Fm**  
Part of me says let it go  
**Ab**  
That life happens for a reason  
**Bb**  
I don't, I don't, I don't  
**Fm**  
'Cause I never went before  
**Ab**  
But this time, this time,  
**Ab** **Eb**  
I'm gonna try anything to just feel better  
**Bb**  
Tell me what to do  
**Fm**  
You know I can't see through the haze around me  
**Ab** **Eb**  
And I'll do anything to just feel better  
**Bb**  
And I can't find my way  
**Fm**  
God, I need a change  
**Ab**  
And I'll do anything to just feel better  
**Ab** **Cm**  
Any little thing to just feel better  
**Eb**  
She said I need you to hold me  
**Fm**  
I'm a little far from the shore  
**Ab** **Cm**  
And I'm afraid of sinking  
**Eb**  
You're the only one who knows me  
**Fm**  
And who doesn't ignore  
**Ab**  
That my soul is weeping  
**Bb**

I know I know I know

Part of me says let it go

Everything must have it's season

'Round, and 'round it goes

And every day's the one before

But this time, this time

I'm gonna try anything to just feel better

Tell me what to do

You know I can't see through the haze around me

And I'll do anything to just feel better

And I can't find my way

God, I need a change

And I'll do anything to just feel better

Any little thing to just feel better

I'm tired of holding on

To all the things I'll leave behind

It's really getting lonely

I think I need a little help this time

I'm gonna try anything to just feel better

Tell me what to do

You know I can't see through the haze around me

And I'll do anything to just feel better

And I can't find my way

God, I need a change

And I'll do anything to just feel better

Any little thing to just feel better
