In every breath and every word I hear your name calling me out

Out from the barrio, you hear my rhythm from your radio
You feel the turning of the world so soft and slow
Turning you round and round

And if you say this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood

Cause you're so smooth

Refrão:
And just like the ocean under the moon
Well that's the same emotion that I get from you
You got the kind of lovin that can be so smooth
Gimme your heart, make it real
Or else forget about it
