

# Sara Bareilles - Fairytale

Tom: Db

(com acordes na forma de C )

Capostrate na 1ª casa

Cinderella's on her bedroom floor

She's got a

Crush on the guy at the liquor store

Cause Mr. Charming don't come home anymore

And she forgets why she came here

Sleeping Beauty's in a foul mood

For shame she says

None for you dear prince, I'm tired today

I'd rather sleep my whole life away than have you keep me from dreaming

Refrão:

I don't care for your fairytales

You're so worried about the maiden though you know

She's only waiting on the next best thing

next best thing

Snow White is doing dishes again cause

What else could you do

With seven itty-bitty men?

Sends them to bed and she calls up a friend

Says will you meet me at midnight?

The tall blonde lets out a cry of despair says

Would have cut it myself if I knew men could climb hair

I'll have to find another tower somewhere and keep away from the windows

(Refrão)

Once upon a time in a faraway kingdom

Man made up a story said that I should believe him

Go and tell your white knight that he's handsome in hindsight

But I don't want the next best thing

So I sing

I hold my head down and I break these walls round me

Can't take no more of your fairytale love

I don't care

For your fairytales

You're so worried bout the maiden though you know

She's only waiting

spent the whole life being

graded on the sanctity of patience and a dumb

Appreciation

But the story needs some mending and a better happy ending

Cause I don't want the next best thing

No no I don't want the next best thing
