

Sarah Brightman - So Many Things

tom:
 Capotraste na 2ª casa
 Intro: Gbm Bm D E A

And so many things I'd forgotten
 In a world that we shared
 With so many things for the asking
 Never as...ked for the madness there

Strange how I find myself
 So often on a distant shore
 There's only one thing that's confusing
 Was it you? Was it me?
 With so many questions unanswered

Or was that part of your mystery?

Strange how I find myself
 So often on a distant shore
 So many things I'd forgotten
 So many things for the asking
 (D E A E)

Strange how I find myself
 So often on a distant shore
 How I find myself
 So often on a distant shore
