

# Sarah Frasson - Forever I'll Sing Your Praise

Tom: D

Intro: G Bm A D

Who took me broken knowing all I've done  
Gave me life for my everlasting soul  
When all the world had turned and hope was gone  
Brought me out of the darkness showed unfailing love

He threw no stone the day I fell with all my shame  
?Come to me? the one who wants to feel my grace  
And every eye will see the wonders of your love  
For you alone took all the pain that I deserved
