

Sarah Kang - My Little Dream

tom:
G Em
I used to look at the stars
Am7
How they'd shine so bright
Cm F7
Make a wish every time
G E7
But I know that the sun will come up
Am7
And this moment will fade
Cm G G7
I'll forget it and wish it away
C Cm
Maybe one day I will finally see
Bm7
All of the things that I wished I would be
A Am A
Imagine a warm summer day
Am7 Bm7
You would smile at me
Cm7 D
Like it was yesterday
Am7 D G E7
It's hard to hold on and believe
Am7 D Dm E7
'Cause what if it's not meant to be
C D
I'll try to pretend
E7 Am
That it's not the end
D7 G
Of dreaming my little dream

Time after time as the seasons go by
I wonder if I'll finally choose to give up
But imagine a warm summer day
You would smile at me
Like it was yesterday
Am7 D G E7
It's hard to hold on and believe
Am7 D Dm E7
'Cause what if it's not meant to be
C D
I'll try to pretend
E7 Am
That it's not the end
D7 G
Of dreaming my little dream
Just wait and see
Am7 D G E7
It's hard to hold on and believe
'Cause what if it's not meant to be
I'll try to pretend
That it's not the end
You just wait and see
I know it's real
I'll keep on dreaming my little dream
