tom:  
D  
Love come Em  
Light up the shadows D  
Let the beauty of you enter in G Bm  
For I have hungered for a tender touch G Bm  
A long and lonely time A Em  
I've seen much more than I want to Em D  
So much angry G  
So much pain Bm  
A line is drawn and lives are torn appart G Em Bm  
The wound's too hard to heal A Em  
Love has taken me in Bm A  
Lifted my load D G Bm  
And in this empty place a wonder grows A Em  
A dream of some kind of peace I could hold up is true Bm A D G  
I never knew anything about love before you Em Bm A
