tom:  
E (forma dos acordes no tom de C)  
Capostrate na 4ª casa

[Refrão]

I'm never gonna change your mind  
And I won't ever treat you right  
Never forget me, heaven accept me  
I'll just go, oh-oh, oh  
I'm never gonna change your mind  
And I won't ever treat you right  
Never forget me, heaven accept me  
I'll just go, oh-oh, oh

(Goodbye)

[Primeira Parte]

I fell in love with you  
But realized I don't want to  
Sometimes we think ahead of life  
If I'm tellin' you, "it don't feel right"  
And even if it was good  
I didn't feel the way I should  
To give you all that you deserve?  
But you took it bad and now I'm hurt  
I said it's fine, you know I lied to keep it cool  
But we'll keep b?in' fools, so I  
Hope you're okay, won't tell  
Your face, 'cause you don't care  
And I know you don't think that's fair, oh

[Refrão]

I'm never gonna change your mind  
And I won't ever treat you right

Never forget me, heaven accept me  
I'll just go, oh-oh, oh  
I'm never gonna change your mind  
And I won't ever treat you right  
Never forget me, heaven accept me  
I'll just go, oh-oh, oh

[Segunda Parte]

The first time that we met  
I thought you were the one  
We were dancin' at 2 AM until we saw the sun  
You walked into my heart but  
Hearts don't always end up in the right place  
I said goodbye to the thing that I thought I loved  
I can't go back to the kiss where it all begun  
I see the hurt in your face and  
I wish that I could wipe it all away, and  
And I tried so hard to want this love  
We're hangin' on, but now I'm givin' up so  
Trust me when I say that I've done  
All that I could do, and maybe  
We're both just fools and I know

[Refrão]

I'm never gonna change your mind  
And we won't ever get this right  
Never forget me, heaven accept me  
Just let go, oh-oh, oh (oh)  
I'm never gonna change your mind  
And I won't ever treat you right  
Never forget me, heaven accept me  
I'll just go, oh-oh, oh  
(Goodbye)
