

Sascha Paeth - The Path

tom:

Intro: Fm Eb Cm Gm
Fm Eb Cm Bb
C D Eb

Blissful I die
And reach for the sky
Hoping to find
A way through the night
I leave my worries alone
Way down below
And try not to cry anymore, fight anymore
Just to go on, just to go on
Let me set sails and flee from the storm
And drift through the clouds
So I can be free
Free as a bird
So I can believe
I'll never never have to cry no more
I won't even lose a tear
I'll never never have to fight no more
And forget about my fears
I'll never never have to hide no more
From anything or anyone
I'll never never have to try no more
To be like I don't wanna be
(C D Eb)
Faithful I leave
But I won't be far
I will be there
If you need me, you'll find me

Anytime, anywhere
I hope you know that I'm there
To guide you along
The path that you're on
Life will go on, life will go on
You have set out to a trek on your own
But you'll master your life
And all will be fine
You will stand strong
Yes, I know that
I'll never never have to cry no more
I won't even lose a tear
I'll never never have to fight no more
And forget about my fears
I'll never never have to hide no more
From anything or anyone
I'll never never have to try no more
To be like I don't wanna be
And when I look down I will see you again
I will take care of you as good as I can
And the beautiful moments i'll never forget
(b>Fm Eb Cm Gm)
I'll never never have to cry no more
I won't even lose a tear
I'll never never have to fight no more
And forget about my fears
I'll never never have to hide no more
From anything or anyone
I'll never never have to try no more
To be like I don't wanna be
