Loaded up the car **G**

Drove into the dark

**Gbm**

We made it home **G**

But I felt alone

**D**

We were growing, growing apart **Bm**

And I knew I had to break your heart **Gbm**

So off I went **G**

Haven't seen you since **G**

I went from

**D**

Someone you held, you held when you were lonely **Bm**

Someone you called, you called your one and only **Gbm**

I threw it all away **G**

I went from someone you love **G**

To som?one you hate

**D** Summer nights w?re feeling kinda strange **Bm**

**Gbm**

Sleeping back to back **G**

I knew we'd never last
