

# Saving Abel - Constantly

tom:  
C

Sometimes It's not too hard to understand Dm

When your heart is in your hand F

Depends on where you land G

The road we walk along sometimes defeats us Dm

It don't always lead us F

Forever we may roam G

C G  
It's time for us to go

We don't always travel down the right road Dm

But when I'm in need F

Yeah I'll think of you constantly C G

It's time to say goodbye G

But that don't mean that we're that far apart, yeah Dm

When I'm in need F

Yeah I'll think of you constantly G

Constantly I try C G Dm F G

Bloodshot eyes, fighting to keep them closed at night Dm

Oh but that's alright, I'm gonna be fine F G

Now all I need is time to relax and unwind D

Yeah a quiet place o clear my mind F G
