Tell me

What will be your final role? Gbm Gbm B7

Gbm Gb7 B7
It seems

Either side would sell your soul Gbm Gbm B7

Bm D E
It's such a high cost when dreams get lost

Gbm E A
In berlin, city of night

Dbm Gbm
You sleep between the east and west

D Db7
Along the left and right

Gbm E A
Broken, kept from the light

Dbm Gbm
You close your eyes and everything

D Db7
Remains in black and white

Gbm E A
Berlin, when will you fight

Dbm Gbm
The mind that draws the border

D Db7
No one crosses in the city of night

```

Gbm Gbm B7
Strange

Gbm B7
Times were to have thought make a whole
Gbm Gbm B7
You'll find

Gbm B7
Some old wounds cannot be closed
Bm D E
But i look to you, thinking of you

Gbm E A
Oh berlin, city of night,
Dbm Gbm
You sleep between the east and west,
D Db7
Along the left and right

Gbm E A
Broken, kept from the light
Dbm Gbm
You close your eyes and everything
D Db7

Gbm E A
Remains in black and white
Gbm E A
Berlin, when will you fight
Dbm Gbm

D Db7
The mind that draws the border
No one crosses in the city of night

Gbm Gbm E
Today, in the world of freedom
The proudest post is ich bin ein berliner

Gbm E A
Berlin, city of night
Dbm Gbm
You sleep between the east and west
D Db7

Gbm E A
Along the left and right
Broken, kept from the light
Dbm Gbm

D Db7
You close your eyes and everything
Remains in black and white

Gbm E A
Berlin, when will you fight
Dbm Gbm

D Db7
The mind that draws the border
No one crosses in the city of night
