

Schmoyoho - Just A Little While

Tom: F

If you were me ^{Dm}
 And I was you ^{Am}
 I'd be flirtatious ^{Gm}
 To see what you would do ^F
 After all ^{Dm}
 I'm too reserved ^{Am}
 And fail to act ^{Gm}
 Til I observe ^F
 I'll make you mine in just a little while ^{Gm F}
 I'll take my time--it's just a little while ^{Gm F}
 Til every sign points back to me ^{Dm C}
 And I can make a move ^{G Bb}

Friday night ^{Dm}
 I walked you home ^{Am}
 And said you didn't ^G
 Want to be alone ^F
 I replied ^{Dm}
 That's good to know ^{Am}
 It's nice to see you ^{Gm}
 I've got to go ^F

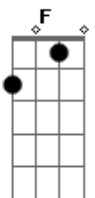

I'll make you mine in just a little while ^{Gm F}
 I'll take my time--it's just a little while ^{Gm F}
 Til every sign points back to me ^{Dm C}
 And I can make a move ^{G Bb}
 There's no way I'll loooooooooooooose ^{G Bb C Dm Am G}
 In just a little while ^{Dm Am}

Cuz when you look me in the eye
 You're all aglow ^{Gm}
 It's just as though ^C
 You've been hiding something behind that innocent smile ^{Dm F Gm}
 That makes 2 of us ^A
 When the time's exactly right ^{Dm Am}
 I'll let you know ^{Gm}
 You're not alone ^C
 Unless it seems I've misinterpreted ^{Dm Am}
 What I thought to be reciprocal ^{Eb}
 and start to think ^A

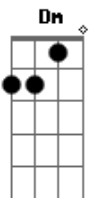

If you were you ^{Dm}
 And I was me ^{Am}
 My plan of action ^{Gm}
 Would be to wait and see ^F
 So I'll be somebody else ^{Dm Am}
 Unless you'd rather me be myself (in which case) ^{Gm F}

I'll make you mine in just a little while ^{Gm F}
 I'll take my time--it's just a little while ^{Gm F}
 Til every sign points back to me ^{Dm C}
 And I can make a move ^{G Bb}
 I'll make you mine in just a little while ^{Gm F}
 I'll take my time--it's just a little while ^{Gm F}
 Til every sign points back to me ^{Dm C}
 And I can make a move ^{G Bb}
 And I can make a move ^{G Bb}
 And I can make a move ^{G Bb}
 In just a little while ^{Bbm F}
