

# Scorcese - We Don't Know

tom:  
Capostrate na 3ª casa

I see an angel down in front of me  
I see a witch praying for God  
Walking on this road I saw a murderer  
He cried after killing a hundred

[Pré-Refrão]

We don't know where are living  
We don't know (2x)  
Show your kindness break the wall  
Show the love that comes out of your heart  
000h 00h 000h 00h 00h 00h 00h 00h

000h 00h 000h 00h 00h  
I see so many demons walking on the street  
I see good people dying  
We saw people crying  
Everybody wants to listen the heart

[Pré-Refrão]

We don't know where are living  
We don't know (2x)  
Show your kindness break the wall
