**Ab Bb**  
Oh I miss you, so much more than words can say  
Segunda Parte  
  
How does it feel babe  
To kill our destiny  
I swear I'm not gonna crawl oh no  
How does it feel babe  
To make a fool out of me  
How can you be so cold  
If you don't catch me now  
I can't stop falling down  
Just one more night and the devil's got my soul  
I need your love babe don't treat me this way  
Ooh I miss you, I miss you
