

# Scorpions - Life Is Too Short

Tom: **A**  
Intro:

Verse : (you can improvise on the riff on your own, this is how I play it)  
Rudolf on another guitar do some stumming and chord picking

**Gbm**  
have you ever seen the mourning  
**E**  
when the sun comes out the shore  
**Gbm**  
and the silence makes  
**E**  
a beautiful sound

**Gbm**  
have you ever sat there waiting  
**E**  
for the time to stand still  
**Gbm**  
for all the world to stop  
**E**  
from turning around

**A** **E** **Gbm**  
and you run cause life is too short  
and you run cause life is too short

**Gbm**  
Have you ever seen the glowing  
**E**  
When the moon is on the rise  
**Gbm**  
And the dreams are close  
**E**

To the ones that we love

**Gbm**  
Have you ever sat there waiting  
**E**  
For heaven to give a sign  
**Gbm**  
So we could find the place  
**E**  
Where angels come from

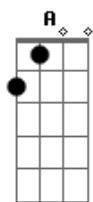

**A** **E** **Gbm**  
and you run cause life is too short  
and you run cause life is too short

**A** **E** **Gbm**  
and you run cause life is too short  
and you run cause life is too short

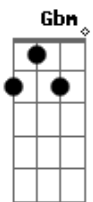

**D**  
There's a time that turns  
**A**  
I'd turn back time  
**E**  
But I don't say I can  
**Gbm** **E**  
It only works if you believe in the truth  
**D**  
Well there's a time to live  
**A**  
And a time to cry  
**E**  
But if you're by my side  
**Gbm**  
I will try to catch a star  
I'll try to catch a star  
**E**  
Just for you  
  
Solo :

**A** **E** **Gbm**  
and you run cause life is too short
