Lovers come and go
Sometimes it's hard to know
If this will be a night to treasure
When the damage has been done
And the hurting has begun
You'll justify a moment's pleasure

BRIDGE

Is it lust, is it love
Whatever it is I can't get enough
Is it lust, is it love
It ain't nothin' that I can't rise above
CHORUS
Is it lust, is it love
When I look around tell me who can I trust
Is it love
Lust or love

SOLO w/intro 2 times

VERSE Maybe it's time to draw the line
BRIDGE There's just one thing that's on my mind

Is it lust, is it love
Whatever it is I can't get enough
BRIDGE Is it lust, is it love
CHORUS
It ain't nothin' that I can't rise above
Is it lust, is it love
CHORUS Still lookin' for more, it's never enough
Is it lust, is it love
When I look around tell me who can I trust
Is it love, is it love, is it love
Is it love, is it love

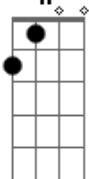

The innocence is gone
But still I'm holding on
Searchin' for love that lasts forever
Lookin' for a place
Where love can hide away
Takin' a chance it's now or never

Maybe it's time to draw the line
There's just one thing that's on my mind

Is it lust, is it love
Whatever it is I can't get enough
Is it lust, is it love
When I look around tell me who can I trust
Is it love
