

Scorpions - No One Like You

tom:
[Intro] A F G Am F G

Am F G F E

Am C G Am
Girl, it's been a long time that we've been apart

C G Am
Much too long for a man who needs love

C G E
I miss you since I've been away

Am C G Am
Babe, it wasn't easy to leave you alone

C G Am
It's getting harder each time that I go

C G E F G
If I had the choice, I would stay

[Refrão]

Am
There's no one like you

F G Am
I can't wait for the nights with you

F G Am
I imagine the things we'll do

F G Am E
I just wanna be loved by you

Am
No one like you

F G Am
I can't wait for the nights with you

F G Am
I imagine the things we'll do

F G Am E
I just wanna be loved by you

Am C G Am
Girl, there are really no words strong enough

C G Am
To describe all my longing for love

C G E
I don't want my feelings restrained

Am C G Am
Ooh, babe, I just need you like never before

C G Am
Just imagine you'd come through this door

C G E F G
You'd take all my sorrow away

[Refrão]

Am
There's no one like you

F G Am
I can't wait for the nights with you

F G Am
I imagine the things we'll do

F G Am E
I just wanna be loved by you

Am
No one like you

F G Am
I can't wait for the nights with you

F G Am
I imagine the things we'll do

F G Am E
I just wanna be loved by you

C G Am
No one like you!
