

# Scorpions - She Said

Tom: **C**

Intro: **C C Am F**

**G**  
In every corner of my memory  
**Bm**  
There's no place you wouldn't be  
**C**  
If anything, I wish I had  
**Am** **D**  
Another dream with you  
**G**  
Life was forever yesterday  
**Bm**  
Nothing in the world could take  
**C**  
Your love away, will I ever know  
**Am**  
That time will ease the pain  
**G**  
For me someday  
**C** **Am** **F**  
She said I won't leave you, ever  
**G**  
Just love me forever  
**Em** **Am** **F**  
She said you can leave, but never  
**G**  
Walk away  
**C C Am F**  
**G**  
Lights reflecting in the evening sun  
**Bm**  
Back to the place where we were one  
**C** **Am**  
Soul mates forever about to chase  
**D**  
Rainbows in the dark  
**G**  
Another day to destiny  
**Bm**  
Come on and set me free  
**C**  
When I close my eyes, I see your smile  
**Am**  
As I walk in the pouring rain  
**G**

I call your name  
**C** **Am** **F**  
She said I won't leave you, ever  
**G**  
Just love me forever  
**Em** **Am** **F** **G**  
She said, we will be together, someday  
**C** **Am** **F**  
She said I won't leave you, ever  
**G**  
Just love me forever  
**Em** **Am** **F**  
She said, you can leave, but never  
**G**  
Walk away  
**F**  
I can see a million faces  
**C**  
When I take a walk outside  
**F** **C**  
But I just never knew  
**F**  
That I could go a million places  
**C** **D**  
And I'd see always, only you  
(solo- Tom de **G** )  
**G**  
The loneliness crawls up on me  
**Bm**  
Without you there's no me  
**C**  
At any time or any place  
**Am**  
But time will ease the pain  
**G**  
For me someday  
  
She said I won't leave you, ever  
Just love me forever  
She said, we will be together, someday  
She said, I will wait forever  
I won't leave you ever  
She said, you can leave, but never  
Ever walk away Don't walk away  
Oh no don't walk away  
I'll be waiting, always  
Until you'll wake up from this dream  
Someday

## Acordes
