

Scorpions - Sign Of Hope

tom:
Capostrate na 1ª casa
Bm (forma dos acordes no tom de Bbm)

Sometimes is easy to pretend
The world keeps turning round and round
And while this going out of hand
I feel my life turns upside down

Give me hope, just a little bit of hope
A little comfort for my soul
And it's gonna be alright
Give me hope, just a little bit of hope
I know you gonna take me home
And Love will shine a light

In troubled times, we need a friend
We keep on waiting for better times

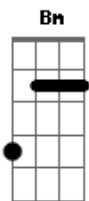

Help me, God, here I am
Alone with all my fears tonight

Give me hope, just a little bit of hope
A little comfort for my soul
And it's gonna be alright
Give me hope, just a little bit of hope
I know you gonna take me home
And love will shine a light

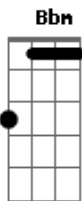

What it's happen to our life?
I see empty places and empty roads
We say a prayer every night
Just waiting for a sign of hope

Give me hope, just a little bit of hope
A little comfort for my soul
And it's gonna be alright
