

Scorpions - White dove

Tom: C

C G
A place without a name
Dm Am
Under a burning sky
C G
There's not milk and honey here
Dm Am
In the land of God

C G
Someone holds a sign, it says
Dm Am
We are human too
C G
And while the sun goes down
Dm Am
The world goes by

C
White dove
G
Fly with the wind
Dm Am
Take our hope under your wings
C
For the world to know
G
That hope will not die
Dm Am
Where the children cry

C G
Waves big like a house
Dm Am
They're stranded on a piece of wood
C G
To leave in all behind
Dm Am
To start again

C G
But, instead of a new life
Dm Am
All they find is a door that it's closed
C G
And keep looking for
Dm Am
A place called hope

C
White dove
G
Fly with the wind
Dm Am
Take our hope under your wings
C
For the world to know
G

That hope will not die
Dm Am
Where the children cry

C G
Na na na na na na
Dm Am
Na na na na na na na na na
C G
Na na na na na na
Dm Am
Na na na na

F Am
Can anyone tell me why
Dm
The children of the world
E
Have to pay the price?
Solo: C G Dm Am (2X)

C G
And now you're telling me
Dm Am
You've seen it all before
C G
I know that's right but still
Dm Am
It breaks my heart

C G
Well, the one Lamb we've sent
Dm Am
Makes us feel better now
C G
But you know it's just a drop
Dm Am
In a sea of tears

C
White dove
G
Fly with the wind
Dm Am
Take our hope under your wings
C
For the world to know
G
That hope will not die
Dm Am
Where the children cry

C G
Na na na na na na
Dm Am
Na na na na na na na na na
