

Scott Pilgrim vs The World - Black Sheep

Tom: G

Oh yeah!
Oh yeah!
Oh yeah!

Em G D
Hello again, friend of a friend
Em
I knew you when
Em G D Em
Our common goal was waiting for the world to end
Em G D Em
Now that the truth is just a rule that you can bend
Em G D Em
You crack the whip, shape-shift and trick the past again

G D
I'll send you my love on a wire
Em D
Lift you up, everytime
G D
Everyone, ooo
Em D
Pulls away, ooo

From you

(G D Em D)

Em G
Got balls of steel, got an automobile for a minimum wage
Em G
Got real estate, I'm buying it all up in outerspace
Em G
Now that the truth is just a rule that you can bend
Em D
You crack the whip, shape-shift and trick the past again

G D
I'll send you my love on a wire
Em D
Lift you up, everytime
G D
Everyone, ooo
Em D
Pulls away, ooo
G D
It's a mechanical bull, the number one
Em D G D
You'll take a ride from anyone, everyone wants a ride
Em D
Pulls away, ooo

From you

(G D Em D)
