

Scotty McCreery - Five More Minutes

Tom: **G**

Eight years old **G** a couple cane poles sitting down by the creek
Em Our lines in the water watching those bobbers seeing that red
 sun sink
C Mama's on the porch yelling supper's hot, y'all come and get
 it
Em D C We yelled five more minutes.
G At sixteen it was twelve o three standing at her front door
Em Katie's dad said midnight, but we needed just a little more
C Yellow light flipping on and off, interrupting that goodnight
 kissing
Em D C We wanted five more minutes

[Refrão]

C Time rolls by the clock don't stop
C I wish I had a few more drops
G Em Of the good stuff, the good times
C Oh but they just keep on flying
C Right on by like it ain't nothing
C Wish I had me a pause button
Em D (Cadd9) Moments like those Lord knows I'd hit it
Em D C Give myself five more minutes
G At eighteen turned my helmet in and walked to the fifty yard
 line
Em It's just the coach and me after we lost state, ten to nine
C And I cried man next time to get in here I'll have to buy a
 ticket
Em D C

Can't you give me five more minutes

[Refrão]
