

# SE7EALeM - Useless

C

[Primeira Parte]

Am  
Why are you following me?  
Am  
I don't know where I'm going  
Am  
I'm lost, don't come back  
Am  
Or you road will be black  
Am  
You dont need to go so far  
Am  
This is not a war  
Am  
But if you want to leave  
Am  
I respect, do you believe?

Am C G Am C G  
I dont know how to command  
Am C G Am C G  
But you can stay if you want  
Am C G Am C G  
I dont know how to command  
Am C G Am C G Riff 1  
Am I so-- useless?

tom:

( Am C G )

Am  
I even pretend, but I dont know  
Am  
And I freeze like snow  
Am  
And the movies I can't choose  
Am  
Under pressure I can't move  
Am  
And I shiver just to hear  
Am  
What are we going to see  
Am  
Maybe the sun, or the clouds?  
Am  
This conversation makes me cold

Am C G Am C G  
I dont know how to command  
Am C G Am C G  
But you can stay if you want  
Am C G Am C G  
I dont know how to command  
Am C G Am C G Riff 1  
Am I so-- useless?
