

Seafret - Atlantis

```
Losing everything I've ever known
               tom:
Intro: E Gb Abm E Gb Abm Gb
                                                              It's all become too much
                                                              Maybe I'm not built for love
                                                              If I knew that I could reach you
                                                                     Abm Gb
                                                              I would go
                                                              [Pré-Refrão 2]
[Primeira Parte]
                                                                  Dbm
                                                              It's in my heart and in my head
The birds have left their trees
                                                              You can't take back the things you said
    Abm
The light pours onto me
                                                               Abm
                                                                              Gb
                                                              So high above, I feel it coming down
                                      Abm Gb
                                                                      Dbm
I can feel you lying there all on your own
                                                              She said: in my heart and in my head
We got here in the hard way
                                                              Tell me why this has to end
       Abm
                                                              B Gb
Oh no, oh no
All those words that we exchanged
Is it any wonder things get bro____ke?
                                                              [Refrão]
[Pré-Refrão]
                                                                 Gb Abm
                                                               I can't save us, my Atlantis, we fall
Cause in my heart and in my head
                                                              We built this town on shaky ground
I'll never take back the things I said
                                                                         Gb Abm
                                                               I can't save us, my Atlantis, oh no
Abm Gb
So high above, I feel it coming down
                                                              We built it up to put it down
  Dbm
She said: in my heart and in my head
                                                              [Ponte]
Tell me why this has to end
 B Gb
                                                              And we built it up, and we built it up

Abm

Gb

E Gb

And built it up to pull it down
Oh no, oh no
