

# Seafret - Breathe

Tom: **G**

**G** Prove to me that you still feel it **Bm**

**G** Before I go start something new **Bm**

**G** No one knows what comes after this **Bm**

**G** But I, I've always hoped that it was you **Bm**

**G** Cause you're the one thing I believe in **Bm**

**G** When I lose faith in all I do **Bm**

**G** This paradise comes when I close my eyes **Bm**

**G** It's true, in the darkness I see you **Bm**

**D** Breathe

Don't you let that heart beat fall **G**

No matter how far it goes **Em**

You'll always be where I belong **D**

**G** And I get a feeling when you're near me **Bm**

**G** Yeah I get a craving when you go **Bm**

**G** And getting clean was never easy **Bm**

**G** When the side affects all start to show **Bm**

**D** I have to breathe

I never held a heart before **G**

No matter how far I'm thrown **Em**

You'll always be where I belong **D**

I started adding up **Em**

Thought I was cracking up **G**

**Bm** Why did she look at him like that?

**G** And I'm so sorry and I take it back **D**

Cause when I add it up **Em**

I think we've got enough **G**

**Bm** And I'm so sorry I take it back

**G** I'm so sorry for the way I act **Em**

I have to breathe **D**

And never let the heart beat fall **G**

No matter how far it goes **Em**

You'll always be where I belong **D**

You'll always be where I belong **G** **Em** **D**
