

# Seal - Kiss From a Rose

Tom: **Gb**

Seal

Tom Original : G#.

**Ab** **E7** **Gb** **Ab**  
There used to be a graying tower alone on the sea  
**E7** **B** **Gb** **Ab**  
You became the light on the dark side of me  
**E7** **B** **Gb** **Ab**  
Love remains a drug that's the high and not the pill  
**Abm** **E7** **Gb**  
Did you know that when it snows my eyes become large  
**E7** **Gb** **Ab**  
And the light that you shine can't be seen

Chorus:

**Ab** **E7** **Gb** **Ab**  
Baby, I compare you to a kiss from a rose on the gray  
**E7** **Gb** **Ab**  
The more I get of you the stranger it feels, yeah  
**E7** **Gb** **E7** **Gb**  
**Ab**  
Now that your rose is in bloom, a light hits the gloom on the gray  
**Ab** **E7** **Gb** **Ab**  
There is so much a man can tell you, so much he can say  
**E7** **B** **Gb** **Ab**  
You remain my power, my pleasure, my pain, baby  
**E7** **Gb** **Ab**  
To me you're like a growing' addiction that I can't deny  
**E7** **Gb**  
Won't you tell me is that healthy, babe?  
**Ab** **Abm** **E7** **Gb**

But did you know that when it snows my eyes become large  
**E7** **Gb** **Ab**  
And the light that you shine can't be seen

Chorus

Bridge:

**Gb** **Db** **B** **Gb**  
I've been kissed by a rose on the gray,  
**Gb** **Db** **B** **Gb**  
I've been kissed by a rose  
**Gb** **Db** **B** **Gb**  
I've been kissed by a rose on the gray  
**Gb** **Db** **B** **Gb**  
I've been kissed by a rose on the gray  
**Ab** **E7** **Gb** **Ab**  
There is so much a man can tell you, so much he can say  
**E7** **B** **Gb** **Ab**  
You remain my power, my pleasure, my pain, baby  
**E7** **Gb** **Ab**  
To me you're like a growing' addiction that I can't deny  
**E7** **Gb**  
Won't you tell me is that healthy, babe?  
**Ab** **Abm** **E7** **Gb**  
But did you know that when it snows my eyes become large  
**E7** **Gb** **Ab**  
And the light that you shine can't be seen  
**E7** **Gb**  
**Ab**  
Now that your rose is in bloom, a light hits the gloom on the gray?  
Hi to all, hope you enjoy this chords... See ya!!
