

# Seal - Wishing On a Star

Tom: F

I'm wishing on a star  
 To follow where you are  
 I'm wishing on a dream  
 To follow what it means  
 I'm wishing on a star  
 To follow where you are  
 I'm wishing on a dream  
 To follow what It means  
 And I wish on all the rainbows, that I see  
 I wish on all people who really dream  
 And I'm wishing on tomorrow praying It'll come  
 And I'm wishing on all the loving, we've ever done  
 I never thought I'd see, a time  
 When you would be so far away from home  
 So far away from me  
 Just think of all the moments that we spent  
 I just can't let you go for me you were  
 Meant  
 And I didn't mean to hurt you, but I know  
 That in the game of loving we were just so

I fell it's time we should make up, baby  
 I fell it's time for us to get back together  
 And make the best of things, oh baby  
 When you we're together  
 Whether or never  
 I fell it's time we should make up, baby  
 I fell it's time for us to get back together  
 And make the best of things, oh baby  
 When you we're together  
 Whether or never  
 I'm wishing on a star  
 To follow where you are  
 I'm wishing on a dream  
 To follow what it means  
 And I wish on all the rainbows that I see  
 I wish on all the people we ever greeted  
 And I'm hoping on all the days to come and days on go  
 And I'm hoping on a days of loving so  
 I'm wishing on a star  
 Follow where you are (Follow where you are)  
 I'm wishing on a star
