

Sean Lennon - Falling Out Of Love

Tom: G

Please just forget me
 Never let---me into your heart
 Cos the one thing i am afraid of
 Is falling out of love

Please i'll forget you
 Never let---you into my heart
 I left you standing
 Standing in the dark
 It's all falling apart

Stay away
 I'm not myself
 No one can help me now

(Fm Eb D D7)
 (Fm Eb D D7)

(G C C C#m- G Bm Bbm Am D7)
 (D G G G G)

I've lived for the devil
 With a head full of devilish things
 It only was because
 Cos i was so afraid
 Of falling out of love

Stay away
 I'm not myself
 No one can help me now

(Fm Eb D D7)
 (Fm Eb D D7)

I've lost my way
 Don't follow me
 I've lost my way
 Ohhhhh
