

# Sean Rowe - I'll Follow Your Trail

Tom: **D**

**D** **D**  
I didn't know I was lookin' for you

**Bm** **A**  
I didn't know there was something to find

**D** **D**  
Tomorrow you won't fit in yesterday's shoes

**Bm** **A**  
And I'm tryin' so hard to rewind

**D** **D**  
You came to me as an empty cup

**Bm** **A**  
I didn't know love could ever be real

**D** **D**  
And every day I tried to fill you up

**Bm** **A**  
With everything that I thought you would feel

**G**  
Through the years, the sorrow

**D**  
The joy that we borrow

**Em**  
The tears that we share with the rain

**G**  
Oh today, tomorrow

**D** **F**  
Forever I'll follow your trail

**A**  
Just call my name

**D** **D**  
And I was there when you took your first step

**Bm** **A**  
Into a world that was wide as the sky

**D** **D**  
I held your belly there against my chest

**Bm** **A**  
I was there when you needed to cry

**D** **D**  
I never knew a friend could be so small

**Bm** **A**  
And have a heart just as big as the moon

**D** **D**  
You know I can't stop you from growin' up

**Bm** **A**  
I just wish that it wasn't so soon

**G**  
Through the years, the sorrow

**D**  
The joy that we borrow

**Em**  
The tears that we share with the rain

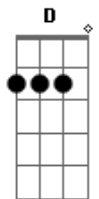

**G**  
Oh today, tomorrow

**D** **F**  
Forever I'll follow your trail

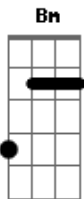

**A**  
Just call my name

**D** **D** **Bm** **A**
